

## 2-Person Round-The-Town Rules Sheet

### Day 1 – Lincoln Greens - Front Nine – BEST BALL:

Both players will play their OWN ball for the entire nine holes. The best GROSS score of the two players will be used for the team score. **Best Ball is NOT a scramble!**

### Day 1 – Lincoln Greens - Back Nine – SHAMBLE:

Both players will tee off on every hole. The team will select the best drive, and then each player will play their own individual ball in to the hole. The best GROSS score of the two players will be used for the team score.

### Day 2 – Bunn - Front Nine – SCRAMBLE:

Both players will tee off on every hole. The team will select the ball in the best position and both play from there. Both players will repeat this format until the ball is holed. Once the ball is holed, the score will be final (i.e. do NOT tap in a putt if your partner still has an opportunity to make a stroke).

### Day 2 – Bunn - Back Nine – ALTERNATE SHOT:

One player will tee off on the odd holes, the other player will tee off on the even holes. Both players will then alternate hitting the same ball until it is holed. Penalty strokes do NOT affect the order of play (i.e. add the penalty & next person up).

### General Rules:

- All male participants will play from the **WHITE** tees. All female participants will play from the **RED** tees.
- The ball may be played “up” within one scorecard length (unfolded) of its original position, no closer to the hole.
- The ball must kept in “like” conditions (i.e. you may **NOT** move the ball from the rough to fairway, or from the fringe to the green).
- Flights will be determined up on completion of the final round. All prize money earned **MUST** be redeemed before the start of the 2019 RTT Tournament.
