

Springfield Park District Golf League

The Springfield Park District Golf League is NOT a league in the traditional sense! Instead, this “league” is open to **ALL** genders and skill levels ages 14+ (to avoid potential IHSA conflicts, high school golfers should **NOT** participate once the high school season has begun). For the most part, players will make their own tee times and play with their own groups.

Events: There will be two types of events throughout the season - Regular Events and Special Events. All events are 18 holes. Only members of the league will be eligible to participate in the Regular Events. Special Events will be open to non-league members as well but will have a higher “game fee”. Please see the table below for the official “Calendar of Events”.

Tee Times: During Regular play dates and Special Events, players will make their own tee times and play with their regular groups. All participants must tee off before 11:00 a.m.

Fees: Regular green fees and cart fees (optional) apply. SPD season passes ARE VALID!!

League Fee: An annual league fee of \$45 (\$20 if you have already paid for a 2020 handicap) will be collected at the beginning of the season. This fee includes your CDGA/WHS (World Handicap System) Handicap via the new WHS (\$35 value) as well as the administrative fee for the league website that will be established.

This fee is **ONLY** required for those participating in “Regular Events”

Game Fees: Game fees are mandatory for those that wish to participate and will be collected at the counter during check in. All money collected will be paid out in the form of Springfield Park District course credit as follows:

Regular Events = \$5 game fee (\$1 Gross Skins, \$1 Net Skins & \$3 for Net Payout)

Special Events = \$10 game fee for league members (\$2 Gross Skins, \$2 Net Skins & \$6 for Net Payout)
(\$15 for non-league members)

Winnings may be used at **ANY** SPD course for **ANYTHING** and are valid for two years from the most recent posting.

Registration: Registration for “Regular Events” is NOT necessary. Simply let the pro shop cashier know when checking in that you wish to participate in that day’s event and pay the \$5 game fee. Registration for “Special Events” is required along with payment of the \$10 game fee (\$15 for non-league members). **For team events, ALL players game fees and names must be submitted when registering.** Registration forms for “Special Events” are to be turned in at the course where the event will be played.

Points: For “Regular Events”, players will receive points based on their net scores as follows:

1 st Place – 20 pts.	6 th Place – 10 Pts.	11 th Place – 5 Pts.
2 nd Place – 17 pts.	7 th Place – 9 Pts.	12 th Place – 4 Pts.
3 rd Place – 14 pts.	8 th Place – 8 Pts.	13 th Place – 3 Pts.
4 th Place – 12 pts.	9 th Place – 7 Pts.	14 th Place & higher – 2 Pts.
5 th Place – 11 pts.	10 th Place – 6 Pts.	

All players will earn a minimum of two points for participating. “Special Events” will earn **DOUBLE** points!!! Obviously, the more you play, the more opportunities you have to earn points!

The top four point earners as of September 27th (as well as four at-large appointees) will be awarded a spot on the Springfield Park District Team in the Inaugural Sangamon County Interclub Challenge Cup to be held October 3rd & 4th.

Rules of Play: For “Regular Events”, players may play the ball UP within one scorecard of their original lie. This does not mean 3 feet!! Players are expected to maintain a high level of integrity throughout the round. Players may, at their option, play the ball down (as it lies). For “Special Events”, a rules sheet will be provided on the day of the event.

ALL PUTTS ARE TO BE HOLED – NO GIMMIES!

Handicaps: The League website will calculate handicaps based on entered scores in accordance with WHS guidelines. Players will also receive a CDGA/WHS Handicap as part of their league fee. If the league website can “pull” CDGA/WHS scores in as well, then the CDGA/WHS handicap will be used. If, however technology does not allow for that, then the handicap generated from the league website will be the “official” handicap for the league. Non-league members playing in “Special Events” must have a verifiable handicap.

Tees: Players will select the set of tees they wish to play from at the beginning of the season and should play from that set of tees for the duration of the league. Players must also indicate on their scorecard which set of tees they played from. It is recommended that players play from tees that will allow them to hit a par 4 green with their second shot. Another recommendation is that tees be chosen based on a player’s driving distance. The chart below gives recommendations accordingly and should be used as a guideline to help golfers potentially align their driving distance with a course length that is best suited to their abilities.

Guidelines for Selecting Tees

Avg. Driver Distance	Recommended 18 Hole Yardage	Tees
275 +	6600 – 6900	Blue
250	6200 – 6599	White
225	5500 – 6199	Grey
200	5200 – 5499	Red

Results: Regular league event results will be posted to the league website. That URL will be announced once it has been built. We will also post any league documents to the website. You’ll be able to access the website from your computer or by downloading the Golf Software app on your phone:

Scorecards MUST be turned in at the pro shop upon completion of play. We will NOT come looking for cards!

Weather: Unless the course is closed, league play will be ON! Those that play will have the opportunity to earn points! Should the course be closed, staff will post notice in the “Chat” box on the league website. For an event to be “official”, at least 8 players must have finished their round. If less than 8 players complete their round, all their game money for that day will be put on their account.
