

2021 Springfield Men's City Tournament Rules Sheet

1. All U.S.G.A Rules of Golf apply.
2. All play for the Regular, Senior & Junior divisions will be from the blue tees on **Saturday @ Bunn** and the white tees on **Sunday @ Lincoln Greens**. The Super Senior division will play from the red tees both days. The Junior, Senior & Super Senior divisions will be decided after the first weekend. The top 40 players and ties will play the following weekend at Piper Glen GC & Panther Creek CC. All remaining players will play at Bunn & Lincoln Greens.
3. Due to the recent rain, and the subsequent turf conditions, players may "lift, clean, & place" their ball within one scorecard length (unfolded) of the ball's original lie no closer to the hole **throughout the course**.
4. Stroke & Distance local rule for lost ball or ball out of bounds: For this event, we will **NOT** adopt the new USGA local rule for lost ball or OB. Players **MUST** return to where they played their last shot from and take a 1 stroke penalty. Hitting a provisional ball when in doubt is highly recommended.
5. Caddies are allowed, but may **NOT** assist on the putting green of the hole being played.
6. Temporary Water: Players are allowed to take relief from any area where their stance or swing are affected by temporary water (formerly casual water) or GUR which is defined by a white line around the affected area.
7. Penalty areas defined by red stakes/lines.

All scorecards must be signed and returned to the pro shop upon completion of play. Results and tee times for the second weekend will be posted on the homepage of www.springfieldparkdistrictgolf.org .
